Subject: Planning application 214391 The Smithy

We are writing with regard to the above application. As residents we work hard to act together to build a community using frameworks such as a Neighbourhood Plan. It is thus concerning to learn that the planning committee is considering an application that would so obviously contravene this agreed way of working.

We would urge you to look carefully at a proposal that so obviously contravenes this plan and is so radically disproportionate to the host building.

Yours faithfully,

John and Sara-Jane Berry
