**Subject:** Responses of Hereford City Council

Colleagues,

Please find the results of the Hereford City Council Planning Cttee of 18<sup>th</sup> March on the various cases you have referred to us for comments.

Planning Applications

P150652	Flat 5 Second Floor Barrs Court Mews	No objection
P150581&150580	8 Commercial Road	No objection
P15015855	Shakespeare Road	<b>OBJECT</b> – we note the further comments but
maintain our view that there		is insufficient parking during the day on narrow local streets, noting that Holmer Road has substantial flow of traffic
P150600	45 St Martin's Street	No objection
P150529	8 Canterbury Avenue	No objection
P143783	88&88 Aylestone Hill	No objection
P150524&150522	33 Broomy Hill	No objection
P150543	3 Ainslie Close	No objection
P150532	11 Amyand Drive	No objection
P150456	3 King's Crescent	No objection
P150548&150633	43 Widemarsh Street	No objection
P150630	Land off Catherine Street	<b>OBJECT</b> The plans are insufficient to give
clarity and this may be over		development of a very restricted site.
P150678	8 Auckland Close	No objection
P150666	9 Blackfriars Street	No objection
P150616	Unit 2 and 2a Barrs Court Works	No objection
P150659	Land at Holmer Trading Estate	<b>OBJECT</b> Whilst we note the proposed highway
improvements, we feel that		the density of the development will lead to traffic congestion at the new junction and that

the nearby railway bridge which is narrow and on a sharp curve needs improvement as part of this development. We also feel that 120 houses is too many on the relative small site and that this is over development.

Tree Works Applications.

P150588                      Oaklands Nursing Home

No objection

P150610                      5 Vineyard Road  
replaced with something on a

No objection, although the tree should be  
more suitable part of the site.

P150634                      31 Broomy Hill  
information, this is not an

We can make no comment as there is no  
acceptable application for consideration.
