The following is a comment on application **P250600/F** by **Sian Picton-Turbervill**

Nature of feedback: Objecting to the application

Comment: This is wrong on so many counts. We bought a property on Swallow Road pre build and was assured by the developers that the open spaces would be preserved, this was in fact one of the MAIN selling pitches. The area in question is known to flood and is home to many species of flora and fauna. This is greed pure and simple. Why not develop Chase Hotel (as was) and its grounds.
