The following is a comment on application **P240422/F** by **Caroline Gerstad**

Nature of feedback: Objecting to the application

Comment: I worry that building on the buffer zone for the Lugg and Hampton Meadows SSSI and River Lugg SAC will damage all the wildlife in those areas. And pets will disturb nesting birds eg Curlew.

Infrastructure from section 106 to consider: I can't see a way that this plan could be ok. If housing is needed then use air bandb and holiday homes.
