**Subject:** objection to planning application 222728

I would like to object to this application for an anaerobic digestion plant at Whitwick Manor, Lower Eggleton, Ledbury. As well as not having the road logistics to support such a system it is neither energy efficient or environmentally friendly. The road system, is not suitable for so many huge lorries - you are creating a death trap. And believe me I know [REDACTED]  
[REDACTED]

I would like to know why it is impossible to see the objections online or to make an objection public online. There is no way of posting online comments etc on the site so have resorted to email.

I would be grateful if someone could confirm this has been received
