Planning application 222138

Dear Sirs,

I would like to put in an objection to the planning application number 222138 for the Three Elms Development. We live in Credenhill and are very concerned about the extra traffic that this will generate, the roads are already very busy and on a regular basis gridlocked along Whitecross Road, Grandstand Road, Westfaling street into town. Where is all this extra traffic going to go? We are also very concerned about the amount of arable farmland and beautiful countryside that this is going to destroy, this is a natural floodplain area that has flooded on many occasions and a wonderful habitat for wildlife. Shocking that this is all being overlooked when we should be trying to preserve our countryside.

Hoping that you will reconsider this application.

Yours sincerely,

Emma Jones
Resident from Credenhill
