## Planning application comment was submitted on the21 May 2023 12:03 PM

The following is a comment on application P163932/O by Laura Powell

## Nature of feedback: Objecting to the application

**Comment:** Very concerned at the noise and disburption such a large application will have. We will be losing the green space close to our home that many people walk their dogs and enjoy this space daily. The biggest concern is that this is over developing the town. Bromyard cannot support 250 new houses there aren't the facilities for the people living here now never mind such a large expansion, with the traffic, the sewage and water pipes are always bursting as it is never mind plumping in 250 new homes and the lack of medical, school and public transport. I've lived here wears and still have not been able to get an NHS dentist slot for example, how would 250 new households have any access.

Their contact details are as follows:

First name: Laura

Last name: Powell

Email:

Postcode: HR7 4TZ

Address: 5 Flaggoners Close, Bromyard, HR7 4TZ

**Infrastructure from section 106 to consider:** A new doctors, dentist, and upgraded public transport availability and schedule. A very large gap between the development and the existing houses to keep the green space.
