Many thanks for notification of this planning application which has been sent to me to respond to on behalf  
of The Ramblers Association.

**No Objection:** This development doesn't appear to have any impact upon the adjacent Public Right  
of Way **MA32**, however we ask you to ensure that the developer is aware that there is a legal  
requirement to maintain and keep clear a Public Right of Way at all times.

Yours faithfully  
Catherine Loxton
