Proposed development:

SITE: Sherrington Manor Farm, Sherrington Road, Broxwood, HR6 9JR

DESCRIPTION: Proposed erection of poultry managers dwelling, together with garage/storage building and package treatment plant.

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.

- 2 The development hereby approved shall be carried out strictly in accordance with the approved plans 1841/01, 1841/02 and 1841/03 received 23 May 2018 and the schedule of materials indicated thereon.

Reason: To ensure adherence to the approved plans and to protect the general character and amenities of the area in accordance with the requirements of Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 3 The occupation of the dwelling hereby approved shall be limited to a person solely or mainly working or last working, in the locality in agriculture or in forestry, or a widow or widower of such a person, and to any resident dependants.

Reason: It would be contrary to Policy RA3 and RA4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework to grant planning permission for a dwelling in this location except to meet the expressed case of agricultural need.

- 4 Notwithstanding the provisions of article 3(1) and Schedule 2 of the Town and Country Planning (General Permitted Development)(England) Order 2015,(or any order revoking or re-enacting that Order with or without modification), no development which would otherwise be permitted under Classes A, B, C, D and E of Part 1 and of Schedule 2, shall be carried out.

Reason: In order to ensure the dwelling remains of a scale and nature appropriate to use as rural workers accommodation and in order to protect the character and amenity of the locality and to comply with Policy RA4 and SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 5 The soft landscaping scheme as shown on the approved plan no. 1841/03 shall be carried out concurrently with the development hereby permitted and shall be completed no later than the first planting season following the completion of the development. The landscaping shall be maintained for a period of 5 years. During this time, any trees, shrubs or other plants which are removed, die or are seriously retarded shall be replaced during the next planting season with others of similar sizes and species unless the Local Planning Authority gives written consent to any variation. If any plants fail more than once they shall continue to be replaced on an annual basis until the end of the 5-year maintenance period. The hard landscaping shall be completed prior to the first occupation of the development hereby permitted.

Reason: In order to maintain the visual amenities of the area and to conform with Policy LD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 6 The dwelling hereby approved shall not be occupied until the sewerage disposal and drainage works have been completed in accordance with the details shown on approved plan 1841/03.

Reason: In order to ensure that satisfactory drainage arrangements are provided and to comply with Policy SD4 and SD3 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 7 The biodiversity enhancement measures shown on approved plan 1841/03 shall be implemented in full prior to the first occupation of the dwelling hereby approved.

Reason: To ensure that all species are protected and habitats enhanced having regard to the Wildlife and Countryside Act 1981 (as amended), the Conservation (Natural Habitats, &c) Regulations 2017 (as amended) and Policy LD2 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework (2018), NERC 2006

Informatives:

- 1 The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against planning policy and any other material considerations, including any representations that have been received. It has subsequently determined to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

- 2 The attention of the applicant is drawn to the provisions of the Wildlife and Countryside Act 1981 (as amended). This gives statutory protection to a number of species and their habitats. Other animals are also protected under their own legislation. Should any protected species or their habitat be identified during the course of the development then work should cease immediately and Natural England should be informed. They can be contacted at: Block B, Government Buildings, Whittington Road, Worcester, WR5 2LQ. Tel: 0300 060 6000.

The attention of the applicant is also drawn to the provisions of the Conservation of Habitats and Species Regulations 2010. In particular, European protected animal species and their breeding sites or resting places are protected under Regulation 40. It is an offence for anyone to deliberately capture, injure or kill any such animal. It is also an offence to damage or destroy a breeding or resting place of such an animal.

- 3 This permission does not authorise the laying of private apparatus within the confines of the public highway. The applicant should apply to Balfour Beatty (Managing Agent for Herefordshire Council) Highways Services, Unit 3 Thorn Business Park, Rotherwas, Hereford HR2 6JT, (Tel: 01432 261800), for consent under the New Roads and Streetworks Act 1991 to install private apparatus within the confines of the public highway. Precise details of all works within the public highway must be agreed on site with the Highway Authority. A minimum of 4 weeks notification will be required (or 3 months if a road closure is involved).

Under the Traffic Management Act 2004, Herefordshire Council operate a notice scheme to coordinate Streetworks. Early discussions with the Highways Services Team are advised as a minimum of 4 weeks to 3 months notification is required (dictated by type of works and the impact that it may have on the travelling public). Please note that the timescale between notification and you being able to commence your works may be longer depending on other planned works in the area and the traffic sensitivity of the site. The Highway Service can be contacted on Tel: 01432 261800.

- 4 It is an offence under Section 148 of the Highways Act 1980 to allow mud or other debris to be transmitted onto the public highway. The attention of the applicant is drawn to the need to keep the highway free from any mud or other material emanating from the application site or any works pertaining thereto.

YOUR ATTENTION IS DRAWN TO THE NOTES OVERLEAF

Notes

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation. In particular consent may be required under the Building Regulations.

The applicant is advised that additional Council Tax payments may be sought in the event that the Valuation Office, who routinely monitor decision notices, consider any part of the development hereby permitted to be self-contained. This assessment is particularly likely to be the case in respect of flats, basement conversions, granny annexes, studio rooms and log cabins and/or where the additional accommodation contains its own kitchen, bathroom and bedroom. Further information can be found on the Council's website at <https://www.herefordshire.gov.uk/search?q=annexes>

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Right to Challenge the Decision of the High Court

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible.

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
