Subject: 222138 - Planning application comment was submitted

The following is a comment on application **P222138/O** by '**Gwenda Lee**'

Nature of feedback: objecting_to_the_application

Comment:

Loss of grade 1 & 2 agricultural land, Risk of flooding to site, Increased traffic and congestion. I struggle to get from Ferndale Rd into 3 Elms in the morning due to the increase in volume of traffic already.

Air pollution, I have to have my windows cleaned every month already due to the volume of traffic. Loss of wildlife habitats & hedgerow. Loss of green spaces and open countryside where I now walk my dog.

Need to build on brown spaces before we ruin our green space. Traffic is my main concern.
