

Planning application comment was submitted on the **27 November 2023 22:01 PM**

The following is a comment on application **P233175/RM** by **Kim White**

Nature of feedback: Submitting a general comment

Comment: There is a public right of way running through the centre of this planning application. It is used by myself and a lot of other local people. It is in an ideal location when walking the dog. The roads in the village are single lane carriageways, lanes at best not great for dog walking especially early in the morning and after work at night when it is dark. This public right of way is in the centre of the village, very accessible to all. I want to know what is going to happen to the public right of way.
