Application for approval of details reserved by condition
Planning application 162207

Please find enclosed an applicaion as above. We are planning to start work very soon and I apologise for this late submission but I was under the impression that the builders had dealt with this; I believe that Mr Mike Mike O'Connell has already written to you with details; the method details are also on the bottom left corner of drawing two.

The best way to contact me is by email on [REDACTED] as my phone is often engaged and my mobile does not work if I am at home.

I have been informed that there is no fee for this as it is in relation to a listed building. I look forward to receiving vonfirmation of approval soon and am happy to facilitate site inspection or visit to approve trial patch of limewash.

[REDACTED]
Yours sincerely,

Alison Budd

PS I could not put full details of conditions in boxes as would not expand. I have included copies of original decision notice to clarify.
