Subject: 222728 - Planning application comment was submitted

The following is a comment on application **P222728/N** by '**Jayne Foster**'

Nature of feedback: objecting_to_the_application

Comment:

Too much traffic with heavy lorries on this road will ruin the quiet nature of this beautiful area plus smells will affect mental health of the local residence. The surrounding area is already not as nice due to all the polly tunnels.
