Proposed development:

SITE: Site at Old Grammar School, Church Street, Bromyard, Herefordshire, HR7 4DP

DESCRIPTION: Conversion of former Grammar school building into five residential dwellings. Demolition works include the removal of part of an extension to the west elevation.

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.

- 2 The development shall be carried out strictly in accordance with the approved plans (drawing nos. 5785-1-1A, 5785-1-2E, 5785-1-3D, 5785-1- 3D, 5748-1-4B, 5785-1-5 and 5785-1-6A (received on 16 December 2016)), except where otherwise stipulated by conditions attached to this permission.

Reason. To ensure adherence to the approved plans in the interests of a satisfactory form of development and to comply with Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 3 All alterations to external elevations shall be made good using matching and where available original materials.

Reason: To maintain the appearance of the building so as to ensure that the development complies with the requirements of Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 4 Before work commences in relation to their installation details, including trade details, of the rooflights to be used and the way they are to be fitted into the roof shall be submitted to the local planning authority. The work shall subsequently only be carried out in accordance with the details to be agreed beforehand in writing by the local planning authority of the size, design, appearance and method of insertion of the rooflights.

Reason: To ensure that the rooflights are of an appropriate form and minimise the potential disruption to the appearance and continuity of the roofs in the interests of the safeguarding of the special architectural or historical interest of the building and to comply with the requirements of Policy LD4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 5 No development shall take place until the developer has secured the implementation of a programme of archaeological survey and recording to include recording of the standing historic fabric and any below ground deposits affected by the works. This programme shall be in accordance with a written scheme of investigation which has been submitted by the applicant and approved by the local planning authority and shall be in accordance with a brief prepared by the County Archaeology Service.

Reason: To allow for recording of the building/site during or prior to development and to comply with the requirements of Policy LD4 of the Herefordshire Local Plan – Core Strategy. The brief will inform the scope of the recording action and the National Planning Policy Framework. The commencement of development in advance of such approval could result in irreparable harm to any identified heritage asset.

- 6 Notwithstanding the provisions of article 3(1) and Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015, (or any order revoking or re-enacting that Order with or without modification), no development which would otherwise be permitted under Classes A, B, C, D, E and H of Part 1 and of Schedule 2, shall be carried out.

Reason: In order to protect the character and amenity of the locality, to maintain the amenities of adjoining property and to comply with Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 7 The development hereby permitted shall not be brought into use until the access, turning area and parking facilities shown on the approved plan have been properly consolidated, surfaced, drained and otherwise constructed in accordance with details to be submitted to and approved in writing by the local planning authority and these areas shall thereafter be retained and kept available for those uses at all times.

Reason: In the interests of highway safety and to ensure the free flow of traffic using the adjoining highway and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 8 Details of finishes to the secure cycle storage building shall be submitted to and approved in writing by the local planning authority. The structure shall be erected for use prior to first occupation of any of the dwelling units approved.

Reason: To ensure that there is adequate provision for secure cycle accommodation within the application site, encouraging alternative modes of transport in accordance with both local and national planning policy and to conform with the requirements of Policies SD1 and MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 9 During the construction phase no machinery shall be operated, no process shall be carried out and no deliveries taken at or despatched from the site outside the following times: Monday-Friday 7.00 am-6.00 pm, Saturday 8.00 am-1.00 pm nor at any time on Sundays, Bank or Public Holidays.

Reason: To protect the amenity of local residents and to comply with Policy SD1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 10 No works in relation to any boundary treatments required by this condition shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the position, type, design and materials of any boundary treatment to be erected. The boundary treatment shall be completed before the buildings are occupied. Development shall be carried out in accordance with the approved details.

Reason: In the interests of visual amenity, to ensure the development has an acceptable standard of privacy and to conform to Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 11 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network.

Reason: To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no detriment to the environment so as to comply with Policy SD4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

Informatives:

- 1 The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against planning policy and any other material considerations. It has subsequently determined to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

- 2 Welsh Water advise :

The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication "Sewers for Adoption"- 7th Edition. Further information can be obtained via the Developer Services pages of www.dwrcymru.com

The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

YOUR ATTENTION IS DRAWN TO THE NOTES BELOW

Notes

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation. In particular consent may be required under the Building Regulations.

The applicant is advised that additional Council Tax payments may be sought in the event that the Valuation Office, who routinely monitor decision notices, consider any part of the development hereby permitted to be self-contained. This assessment is particularly likely to be the case in respect of flats, basement conversions, granny annexes, studio rooms and log cabins and/or where the additional accommodation contains its own kitchen, bathroom and bedroom. Further information can be found on the Council's website at <https://www.herefordshire.gov.uk/search?q=annexes>

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Right to Challenge the Decision of the High Court

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
