Type** Comment

Comment 1. Noise Disturbance caused by dogs barking overnight; 2. Traffic & Highway Issues as visiting customers will increase the number of vehicles entering and leaving the site by 20 cars per day, excluding owners and the staff. Much of this traffic will likely use the nearby A4110 which suffers from speeding vehicles, and this is made worse by the poor to zero visibility at the nearby junction used to join the A4110; and 3. Impact on the Surroundings: The use of floodlights at the site should be restricted. The Clerk, Pyons Group PC.
