Subject: Planning application comment was submitted

The following is a comment on application '**P172845/F**' by '**Monica Parker**'

Nature of feedback: Support the application

Comment:

I felt I had to write a supporting letter after reading some of the ridiculous arguments against the proposed poultry sheds. The site they have chosen behind their existing buildings looks ideal - hidden from view from Leominster. Up on Buckfield and at Barons Cross no one will ever know they are there. One minute people are complaining about the traffic from 1 farm then on the other hand wanting more tourists, more businesses and more houses. How do they think they will travel? We should be working together and then maybe they will do something about the roads.
