

The below information is to discharge conditions 3, 4, 5, and 6 for:

Cattle Shelter  
Lower Nicholson Farm  
Docklow  
Nr Leominster  
Herefordshire  
HR6 0SL

Planning Application Number: 170212  
Decision Date: 31<sup>st</sup> May 2017

Decision Date: 31<sup>st</sup> May 2017  
Listed Building Consent Application Number: 170213

#### Details for Condition 3:

All Oak Windows and Doors will be finished with three coats of linseed oil.  
All internal timbers will be finished with three coats of linseed oil.

#### Details for Condition 4:

We are not fitting a flue.

#### Details for Condition 5:

As stated in the Design, Access, and Heritage Statement the existing Natural slate roof will remain. No roofing works are required. However the current plastic guttering is going to be replaced with Black Cast Aluminium as per condition 7.

#### Details for Condition 6:

Please see enclosed drawing of each screen, and door. This includes 1:2 details and sections, and 1:20 elevations. All items have been indexed to the approved elevation drawing.

The windows and door will be made in oak, gun metal coloured lights will be set to the oak frames.

All frames have been designed to be fitted and fixed behind the oak posts as per the planning and listed building consent.
