Dear Imogen

Thank you for your email and details of the Bridge over the weir on dam 1. I note Hugh Shannon's comments below.

I can confirm that the proposal is in accordance with condition 2 of the approved planning permission 180386 Fishpool Valley, Croft Castle, Leominster and no further details are required.

I will update the case file with the attached details.

Kind regards
Ruth

Hi Imogen,

I would consider this more detailed plan within the parameters set out in the supplied drawing 'Outline parameters for bridge on dam one' that was approved with application 180386. The bridge in the new drawing will be suitable for Fishpool Valley with respect to the settings of surrounding heritage assets.

I've copied in the planning officer Ruth Jackson in case any amendments need to be made to the existing consent, or the case file updated in any way.

Looking forward to seeing you on Wednesday!

Thanks,

Hugh

Hi Hugh,

In order to get a cutting list for our proposed bridge on Dam 1, we have had to draw a more detailed version of the proposed structure.

Please let me know whether this is still acceptable as there has needed to be some slight variations to the build to ensure the "rustic" handrails and balusters are actually stable and sound.

Best wishes

Imogen
