**Follow Up Flag:** Follow up  
**Flag Status:** Completed

I refer to the letter that I received dated 15/5/18 in connection with the planning application 174745 for land south of the Leadon Way, Ledbury.

As a past resident in the Ledbury area, my wife and I are both appalled that this application has been made at all as we understand it to be outside the settlement boundary. There would appear to be no plan to increase the essential facilities that this application would require - shops, parking, medical schools etc - so we therefore oppose this application on both grounds.

Any increase of this size is bound to overpower the current town and we are amazed that this application was not rejected outright as it will cause the existing residents untold problems and ruin the charm of Ledbury.

Richard and Christina Belloc Lowndes
