

Planning application comment was submitted on the **02 April 2024 15:20 PM**

The following is a comment on application **P240422/F** by **Christine Rutter**

Nature of feedback: Objecting to the application

Comment: There are so many reasons that I object to 350;houses being built on the Land east of Hereford A 438 Ledbury Road .

As a Herefordshire resident I OBJECT to this development due to

Schools over subscribed. Hereford Council has no resources to fund the build if a Primary School on land allocated before work commences on the building of any houses.

Doctor and Dentist surgeries are already overloaded, patients wait weeks/months for appointments.

Another 700-1,000 patients will lengthen wait times, endangers patients lives and impacts A&E . The hospital and emergency services are already overstretched. No hospital beds.

The area is under water through many months of the year and houses should not be built on a flood plain .

Also many more traffic issues, congestion on roads. No bypass.
