Dear Mr Banks,

I am writing in support of planning application P172845/F.

This is a family farm looking to diversify into a new enterprise. I know the location of the proposed site and the surrounding area very well. I cannot see how it will have any negative effect on Leominster or Monkland because two of its closest neighbours are farms and it will not even be visible from the A44. They have their own long drive so no neighbours will be affected. Agriculture is very important to the local economy with many businesses in and around Leominster directly or indirectly linked to farming.

Yours sincerely ,

Mr D Blatchford
