Dear Mr Harrison,

I refer to the above and to advise that we are progressing positively to determination.

The submitted proposal description, copied below, is rather wordy and not precise:  
*Proposed non-material amendment to 193296/RM (Application for approval of reserved matters following outline approval P141487/O - Erection of 52 No. dwellings, parking, landscaping, drainage and other associated engineering works) - The non material amendment relates to plot 18 which we would like to substitute from a house type Romsey to a Seaton.*

I recommend amending it to:

*Proposed non-material amendment to 193296/RM (Application for approval of reserved matters following outline approval P141487/O - Erection of 52 No. dwellings, parking, landscaping, drainage and other associated engineering works) - to substitute the house type on Plot 18.*

Please can you confirm your agreement to the suggested amended description asap?

Kind regards

*Charlotte*
