**Subject:** Planning application 174131 and 174132

Hi Gemma

Following their meeting last night the Parish Council would like to make the following comments on the above applications.

"The Parish Council fully support this application although they do have concerns about the lighting density and light pollution in the area as a whole. They ask that this be addressed as part of the conditions if the applications are approved."

Can you please acknowledge receipt of this email?

Kind Regards
