Dear John/Peter,

I have spoken recently with my colleagues in Conservation and Planning Policy and none of them recall any contact from their counterparts on your side. I say this in the context that we were expecting some contact insofar as the preparation of separate Statements of Common Ground are concerned. Can you update me accordingly?

I would expect us to agree a notional deadline for completing these (along with the overarching SoCG) and sharing this with PINS? What do you think?

Kind regards  
Ed Thomas
