Build-in WoodStone Bat Box

Available from NHBS.com,
PRODUCT CODE 208337.
£29.99.

The Build-in WoodStone® Bat Box has been specifically designed to fit into the cavity of house walls, with the entrance sitting flush with the outside bricks. It is manufactured from hard-wearing WoodStone® and plywood with removable side panels so that several boxes can be placed side by side.

WoodStone® is a mixture of sawdust from FSC wood sources and concrete, and it is designed to last for years. It is breathable so there will be no problems with condensation and Woodstone maintains a consistent temperature inside, providing excellent insulation for roosting bats.
