The following is a comment on application **P231772/F** by **Annabel Johnson**

Nature of feedback: Objecting to the application

Comment: I am writing on behalf of Ledbury Area Cycle Forum (LACF) to object to the proposals as there is no provision for cycle storage.

In order for the development to comply with planning policies (in particular SS4, MT1 and SD1) and the Council's Climate Emergency policy, approval should be conditional on the provision of a suitably sized fully enclosed and secure cycle store for the property, large enough to accommodate one cycle per bed-space, provided with a power supply for recharging e-bike batteries.
