

Planning application comment was submitted on the **04 April 2025 19:32 PM**

The following is a comment on application **P250532/PSI** by **Sue Gibbs**

Nature of feedback: Support the application

Comment: I support the building of the new primary school in Peterchurch but believe a zebra crossing is essential. With young children walking to and from the site, a clearly designated crossing point is crucial for their safety. It will also encourage drivers to slow down and ensure a safer route for pupils, parents, and staff.
