THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Act that LISTED BUILDING CONSENT has been GRANTED for the execution of the works referred to above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 The works hereby permitted shall be begun before the expiration of three years from the date of this consent

Reason: Required to be imposed by Section 18 (1) of the Planning (Listed Building & Conservation Areas) Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the approved plans (drawing nos. - 4 No power tools or machinery shall be used at the premises other than portable hand tools.

Reason: In the interest of the amenity of the area and to comply with Policy SD1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

Informatives:

- 1 The Authority would advise the applicant (and their contractors) that they have a legal Duty of Care as regards wildlife protection. The majority of UK wildlife is subject to some level of legal protection through the Wildlife & Countryside Act (1981 as amended) and the Habitats and Species Regulations (2019 as amended), with enhanced protection for special “Higher Status Protected Species” such as all Bat species, Great Crested Newts, Otters, Dormice, Crayfish and reptile species that are present and widespread across the County. All nesting birds are legally protected from disturbance at any time of the year. Care should be taken to plan work and at all times of the year undertake the necessary precautionary checks and develop relevant working methods prior to work commencing. If in any doubt it advised that advice from a local professional ecology consultant is obtained. If any protected species or other wildlife is found or disturbed during works then all works should stop and the site made safe until professional ecology advice and any required ‘licences’ have been obtained. Any additional lighting should fully respect locally dark landscapes and associated public amenity and nature conservation interests.

NOTES

Appeals to the Secretary of State

- If you are aggrieved by the decision of the local planning authority to refuse Listed Building Consent or Conservation Area Consent for the proposed works, or to grant consent subject to conditions, you may appeal to the Secretary of State in accordance with Sections 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

Right to Challenge the Decision of the High Court

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible.

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

Purchase Notices

- If Listed Building Consent or Conservation Area Consent is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the Council a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
- In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
