Morning Chris,

I've attached the revised drawing, and have attached the re-submission forms that you require.

Could you please withdraw the previous application as discussed, and use these forms for the new application, with transferring the payment across..

If you could let me know if this is all ok, that would be great.

Regards,

Ian

Morning Ian

Spoken to officer who had the application and she has requested you with draw application number N121678/S and re-submit and I will transfer the payment across. Be best if you send the forms etc directly to me instead of the planning portal.

Good Morning Chris

I have unfortunately attached the wrong drawing to an application for prior approval for a farm building at Lyvers Ocle , Ocle Pytchard, sent in on the planning portal 12/06 planning portal ref 020222299 we had 2 alternate positions for the building and owing to a misunderstanding attached the wrong one. Is it possible to substitute the revised drawing.

I am out of the office today can you drop me an e`mail telling me what to do if this is not possible.

Regards
