The following is a comment on application **P240422/F** by **Emma Slark**

Nature of feedback: Objecting to the application

Comment: This is next to a very special nature reserve which is an integral part of hereford city's history and landscape. Building yet more housing next to such haven will have a profound affect on the wildlife, flora and fauna living here. Do we really need more buildings at the cost of an ecosystem? No we do not! I totally onject to this being passed!
