**Subject:** Planning application comment was submitted

The following is a comment on application '**P192784/O**' by '**William Austin**'

**Nature of feedback:** Submitting a general comment

**Comment:**

The planned entrance's are beyond the 40mph limit zone in the National Speed Limit area just over a blind summit on a steep hill making them very dangerous. The safest place for the entrance for all the houses would be at the top of the hill.
