Subject: 241532 - White House Farm (NO OBJECTION)

Hi Adam,

We hold no objections to the variation of condition 4 proposed under the above application (241532) as it does not appear to involve any changes to the proposed development and associated drainage arrangements approved under the original planning permission application (204133). If you feel we have missed anything, please let me know.

Kind regards,
Lauren
