Nature of feedback: Support the application

Comment: A great venture what is needed in Kington for passing trade .A good location and a lot safer than parking on double yellow lines in the narrow streets of Kington to access food facilities! This lady should be supported in her venture not condemned.The area has good access ,I don't understand why planning has not been granted ? There aren't many facilities for many miles for drivers to stop and rest/eat etc surely drivers should be encouraged to stop at a safe location,This being one of them!
