The following is a comment on application **P212041/PA7** by 'Clare Adamson'

**Nature of feedback:** objecting\_to\_the\_application

**Comment:**

I would like to object to the application.

The centre of Garway village has very few buildings of architectural merit. The demolition of the Victorian Old School would be greatly detrimental to the overall ambience of the village.

In my opinion this building is a non-designated heritage asset and its removal would result in irreversible loss to the legibility of the area and its historical development.
