The following is a comment on application **P222006/F** by '**Susan Phypers**'

**Nature of feedback:** support\_the\_application

**Comment:**

Having seen the stone barn, I think it would be wonderful to realise its potential and for it to be restored and, additionally, given a new lease of life which would preserve its structure and its heritage. Furthermore, it would make great accommodation for tourists visiting the area to stay in.
