

Planning application comment was submitted on the **13 April 2024 18:54 PM**

The following is a comment on application **P240422/F** by **Katharine Bradbury**

Nature of feedback: Objecting to the application

Comment: The Lugg meadows natural fauna and flora will be damaged by any building here. In addition the roads onto the proposed aeea are already gridlocked frequently and the additional houses and cars would cause even more congestion
