Hi Carl

Please find below comments on planning applications considered at last week's meeting, but that the on-line comments facility has passed:

1. 214354 – no objection
2. 214387 – Members felt that the requested times for Monday – Saturday are reasonable, however they did have reservations in respect of the Sunday hours being 0600-2300. They also raised concerns about light pollution and would ask that consideration be given to a light management policy and that the lighting used is downward lighting and that it is only used during the hours of darkness when deliveries are being made and not left on for the duration of dark hours, so as not to affect nearby properties.
3. 214504 – No objection

Kind regards

Angie
