The following is a comment on application **P163932/O** by **T Newhill**

Nature of feedback: Objecting to the application

Comment: I object to the following Planning Application, due to purchasing our house in [REDACTED] for the simple fact of overlooking the fields, rather than looking on to other houses. Purchase of our house was purely for this reason only. I fail to see how the town will cope, e.g the doctors/dentists. Nobody in my family is registered at a dentist locally. It's a pity that work wasn't concentrated on fixing the roads, especially the main roads - and making those safe, before adding to it by overpopulating the tiny town any more.
