Particulars of any representations that have been made to the Local Planning Authority, objecting to the proposals

Have any representations been made to the Local Planning Authority, objecting to the proposals?

☒ No ☐ 

Have any general or specific restrictions been imposed by any authority on development of the land affected by the proposed development?

☒ No ☐ 

Does the proposed development involve the demolition, alteration or extension of a building of special architectural or historic interest included in a list compiled or approved under Section 1 of the Planning (Listed Buildings and Conservation Areas) Act 1990?

☒ No ☐ 

Does the Local Planning Authority agree that the proposed development should be approved by the Secretary of State for Energy as described? (If the answer is no, please complete Modifications and Conditions questions section below).

☒ No

Would the Local Planning Authority be prepared to agree that the proposed development should be approved subject to modifications or conditions?

☒ Yes

Please specify the modifications or conditions proposed and state whether they are acceptable to the applicant. (Note: the precise form of any modifications or conditions subject to which the consent or direction given is a matter for the Secretary of State, but he will have regard to the form of words used by the Local Planning Authority.)

Modification or Condition?
