Subject: 232978 - Barons Cross Garage

Hi Adam,

Based on the latest Welsh Water correspondence (26/02) they still require information from the Applicant before they accept the surface water discharge into the public sewer. Land Drainage will provide a formal consultation response once a connection has been confirmed. We will be looking to provide recommendation for approval, provided the proposed willow bed is removed from the surface water drainage strategy, as it has absolutely no relevance.

Kind regards,

Jenny

Jennifer Allen
