The following is a comment on application '**P172918/F**' by '**Rhodri and Elaine Richards**'

Nature of feedback: Support the application

Comment:

Matthew LLoyd is part of the family farming business and we think it fully appropriate that he lives with his family in the community in which he works. Matthew is honest and concerned enough about a sense of community that he has discussed his application with all local residents resulting in a positive outcome. This matches his awareness of maintaining continuity of design with other local houses (i.e. use of local stone).

We wish to register our support for this application
