**Comment:** [REDACTED]..we have been looking at weston under penyard for a while as this is where we would like to be, however there just isn't the houses coming up for sale..people seem to stay put here, this would give us a chance to move here...which is exciting for us. have looked at the ideas put forward and we like the open space. And the fact they have taken in to consideration the roman remains found here by keeping well away.....this whole place will give more families like ours a hope to move here thank you, oh please can we have dibs on a 4 bed,
