

OUTLINE PLANNING PERMISSION

Applicant:

Mr Peter Jinman
C/o Agent

Agent:

Collins Design & Build
Unit 5 Westwood Industrial Estate
Pontrilas
Hereford
HR2 0EL

Date of Application: 27 May 2016

Application No: 161674

Grid Ref: 339200:227668

Proposed development:

SITE: Land to the rear of the Laurels Veterinary Practice, Pontrilas Road, Ewyas Harold, Herefordshire, HR2 0EL
DESCRIPTION: Construction of three dwellings and alterations to the existing access

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that OUTLINE PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 Application for approval of the reserved matters shall be made to the local planning authority before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 92 of the Town and Country Planning Act 1990.
- 2 The development hereby permitted shall be begun either before the expiration of three years from the date of this permission, or before the expiration of two years from the date of the approval of the last reserved matters to be approved, whichever is the later.

Reason: Required to be imposed by Section 92 of the Town and Country Planning Act 1990.
- 3 Approval of the details of the scale, appearance and landscaping (hereinafter called "the reserved matters") shall be obtained from the local planning authority in writing before any development is commenced.

Reason: To enable the local planning authority to exercise proper control over these aspects of the development and to secure compliance with Policy SD1 of the Herefordshire Local Plan - Core Strategy and the National Planning Policy Framework.
- 4 Plans and particulars of the reserved matters referred to above relating to the layout, scale, appearance, access and landscaping shall be submitted in writing to the local planning authority and shall be carried out as approved.

Reason: Required to be imposed by Section 92 of the Town and Country Planning Act 1990.

- 5 The development shall be carried out strictly in accordance with the approved plans (Job no. 2311, Drg. No. PGOP001), except where otherwise stipulated by conditions attached to this permission.

Reason: To ensure adherence to the approved plans in the interests of a satisfactory form of development and to comply with Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 6 Prior to the first occupation of any of the residential development hereby permitted written evidence / certification demonstrating that water conservation and efficiency measures to achieve the 'Housing – Optional Technical Standards – Water efficiency standards' (i.e. currently a maximum of 110 litres per person per day) for water consumption as a minimum have been installed / implemented shall be submitted to the Local Planning Authority for their written approval. The development shall not be first occupied until the Local Planning Authority have confirmed in writing receipt of the aforementioned evidence and their satisfaction with the submitted documentation. Thereafter those water conservation and efficiency measures shall be maintained for the lifetime of the development.

Reason: To ensure water conservation and efficiency measures are secured, in accordance with Policy SD3 (6) of the Herefordshire Local Plan Core Strategy 2011-2031.

- 7 No development approved by this permission shall be commenced until a scheme for the provision of surface water drainage works has been submitted to and approved in writing by the local planning authority. The approved scheme shall be implemented before the first occupation of the development hereby approved.

Reason: To prevent the increased risk of flooding by ensuring the provision of a satisfactory means of surface water disposal and to comply with Policy SD3 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 8 Before any other works hereby approved on the application site are commenced, the entrance shall be set back 2 metres from the rear of the adjoining footway. On each side of the set back entrance, splays shall be formed at an angle of 45° with the highway boundary and the whole of the splayed areas shall be graded and cleared so that no part thereof exceeds a height of 0.6 metres above the relative level of the adjoining carriageway.

Reason: In the interests of highway safety and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 9 Before any other works hereby approved are commenced, the construction of the vehicular access shall be carried out in accordance with a specification to be submitted to and approved in writing by the local planning authority, at a gradient not steeper than 1 in 12.

Reason: In the interests of highway safety and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 10 Prior to the first occupation of the dwellings hereby approved the driveway and/or vehicular turning area shall be consolidated and surfaced at a gradient not steeper than 1 in 8. Private drainage arrangements must be made to prevent run-off from the driveway discharging onto the highway. Details of the driveway, vehicular turning area and drainage arrangements shall be submitted to and approved in writing by the local planning authority prior to commencement of any works.

Reason: In the interests of highway safety and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 11 The development hereby permitted shall not be brought into use until the access, turning area and parking facilities shown on the approved plan have been properly consolidated, surfaced, drained and otherwise constructed in accordance with details to be submitted to and approved in writing by the local planning authority and these areas shall thereafter be retained and kept available for those uses at all times.

Reason: In the interests of highway safety and to ensure the free flow of traffic using the adjoining highway and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 12 Development shall not begin until parking for site operatives and visitors has been provided within the application site in accordance with details to be submitted to and approved by the local planning authority and such provision shall be retained and kept available during construction of the development.

Reason: To prevent indiscriminate parking, with immediate effect, in the interests of highway safety and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 13 Within 8 weeks of the first occupation of the development hereby approved a scheme for the provision of covered and secure cycle parking within the curtilage of each dwelling shall be submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details. The cycle parking shall be installed and made available for use within a time scale to be agreed with the local planning authority.

Reason: To ensure that there is adequate provision for secure cycle accommodation within the application site, encouraging alternative modes of transport in accordance with both local and national planning policy and to conform with the requirements of Policies SD1 and MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 14 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network.

Reason: To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment as required by Policies SS6 and SD3 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 15 The habitat & biodiversity enhancement recommendations as detailed in the Ecology Report by Ecology Service dated May 2016 shall be implemented as recommended unless otherwise agreed in writing by the local planning authority.

Reason: To ensure that all species are protected having regard to the Wildlife and Countryside Act 1981 (as amended), the Conservation Regulations 1994 (as amended) and Policy LD2 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 16 Floor levels should be set at least 400 mm above the maximum predicted 1 in 100 year flood level of 71.03m above Ordnance Datum.

Reason: To protect the development from flooding and to comply with Policy SD3 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

Informatives:

- 1 The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against planning policy and any other material considerations, including any representations that have been received. It has subsequently determined to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
- 2 It is an offence under Section 148 of the Highways Act 1980 to allow mud or other debris to be transmitted onto the public highway. The attention of the applicant is drawn to the need to keep the highway free from any mud or other material emanating from the application site or any works pertaining thereto.
- 3 This permission does not authorise the laying of private apparatus within the confines of the public highway. The applicant should apply to Balfour Beatty (Managing Agent for Herefordshire Council) Highways Services, Unit 3 Thorn Business Park, Rotherwas, Hereford HR2 6JT, (Tel: 01432 261800), for consent under the New Roads and Streetworks Act 1991 to install private apparatus within the confines of the public highway. Precise details of all works within the public highway must be agreed on site with the Highway Authority. A minimum of 4 weeks notification will be required (or 3 months if a road closure is involved).

Under the Traffic Management Act 2004, Herefordshire Council operate a notice scheme to co-ordinate Streetworks. Early discussions with the Highways Services Team are advised as a minimum of 4 weeks to 3 months notification is required (dictated by type of works and the impact that it may have on the travelling public). Please note that the timescale between notification and you being able to commence your works may be longer depending on other planned works in the area and the traffic sensitivity of the site. The Highway Service can be contacted on Tel: 01432 261800.

- 4 This planning permission does not authorise the applicant to carry out works within the publicly maintained highway and Balfour Beatty (Managing Agent for Herefordshire Council) Highways Services, Unit 3 Thorn Business Park, Rotherwas, Hereford, HR2 6JT (Tel: 01432 261800), shall be given at least 28 days' notice of the applicant's intention to commence any works affecting the public highway so that the applicant can be provided with an approved specification, and supervision arranged for the works.

Under the Traffic Management Act 2004, Herefordshire Council operate a notice scheme to co-ordinate Streetworks. Early discussions with the Highways Services Team are advised as a minimum of 4 weeks to 3 months notification is required (dictated by type of works and the impact that it may have on the travelling public).

Please note that the timescale between notification and you being able to commence your works may be longer depending on other planned works in the area and the traffic sensitivity of the site. The Highway Service can be contacted on Tel: 01432 261800.

- 5 Drainage arrangements shall be provided to ensure that surface water from the driveway and/or vehicular turning area does not discharge onto the public highway. No drainage or effluent from the proposed development shall be allowed to discharge into any highway drain or over any part of the public highway.
- 6 It is the responsibility of the developer to arrange for a suitable outfall or discharge point. It cannot be assumed that the highway drainage system can be used for such purposes.
- 7 The applicant's attention is drawn to the requirement for design to conform to Herefordshire Council's 'Highways Design Guide for New Developments' and 'Highways Specification for New Developments'.
- 8 All nesting birds, their nests, eggs and young are protected by law and it is an offence to:
 - intentionally kill, injure or take any wild bird
 - intentionally take, damage or destroy the nest of any wild bird whilst it is in use or being built
 - intentionally take or destroy the egg of any wild bird
 - intentionally (or recklessly in England and Wales) disturb any wild bird listed on Schedule 1 while it is nest building, or at a nest containing eggs or young, or disturb the dependent young of such a bird. The maximum penalty that can be imposed - in respect of a single bird, nest or egg - is a fine of up to 5,000 pounds, six months imprisonment or both.

The applicant is therefore reminded that it is an offence under the Wildlife and Countryside Act 1981 (as amended) to remove or work on any hedge, tree or building where that work involves the taking, damaging or destruction of any nest of any wild bird while the nest is in use or being built, (usually between late February and late August or late September in the case of swifts, swallows or house martins). If a nest is discovered while work is being undertaken, all work must stop and advice sought from Natural England and the Council's Ecologist.

- 9 The attention of the applicant is drawn to the provisions of the Wildlife and Countryside Act 1981 (as amended). This gives statutory protection to a number of species and their habitats. Other animals are also protected under their own legislation. Should any protected species or their habitat be identified during the course of the development then work should cease immediately and Natural England should be informed. They can be contacted at: Block B, Government Buildings, Whittington Road, Worcester, WR5 2LQ. Tel: 0300 060 6000.

The attention of the applicant is also drawn to the provisions of the Conservation of Habitats and Species Regulations 2010. In particular, European protected animal species and their breeding sites or resting places are protected under Regulation 40. It is an offence for anyone to deliberately capture, injure or kill any such animal. It is also an offence to damage or destroy a breeding or resting place of such an animal.

10 It is an offence for any person to:

Intentionally kill, injure or take any bats.

Intentionally or recklessly damage, destroy or obstruct access to any place that a bat uses for shelter or protection. This is taken to mean all bat roosts whether bats are present or not.

Under the Habitats Regulations it is an offence to damage or destroy a breeding site or resting place of any bat. This is an absolute offence - in other words, intent or recklessness does not have to be proved. The applicant is therefore reminded that it is an offence under the Wildlife and Countryside Act 1981 (as amended) and the Conservation of Habitats and Species Regulations 2010 that works to trees or buildings where that work involves the disturbance of a bat is an offence if a licence has not been obtained from Natural England. If a bat is discovered while work is being undertaken, all work must stop and advice sought from Natural England (0300 060 6000) and the Council's Ecologist. Advice is also available from the Bat Conservation Trust Helpline on 0845 1300 228.

11 The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water Industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication "Sewers for Adoption"- 7th Edition. Further information can be obtained via the Developer Services pages of www.dwrcymru.com

12 Welsh Water Advice:

The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal.

DEVELOPMENT MANAGER

Date: 15 September 2016

YOUR ATTENTION IS DRAWN TO THE NOTES ATTACHED

Please note: This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation. In particular consent may be required under the Building Regulations.

NOTES

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Right to Challenge the Decision of the High Court

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible.

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
