

Brinsop Court Estate – Noise Management Plan

ITEM #	Noise Management Action
1	All music stops by Midnight. Any extensions in time would only be agreed by the Council (e.g. Temporary Event Notices).
2	All Evening Entertainment Performers; namely DJs and Bands MUST be sent a full Noise Management Plan prior to their arrival. This ensures that all performers are fully familiar with Brinsop Court's active sound management plan, auto cut off limited, auto cut off access doors and fire escape plans. Furthermore all performers must show valid Public Liability Insurance and PAT certificates for all electrical kit.
3	Windows and doors will be kept closed, and contain efficient sealing systems, whilst the venue has activities containing dance, singing, or amplified sound. The internal door in the lobby area shall be fitted with self-closing mechanisms to contain sound within the main barn; as shall the main entrance doors which shall be opened only for ingress and egress of patrons during events. This will be monitored by the Brinsop Court security team. No Amplified music is permitted outdoors.
4	Mechanical ventilation shall be provided to the Barn development to facilitate adequate ventilation for a fully occupied building, while all windows and doors are closed.
5	The security team will continue to take hourly sound readings from various locations in the vicinity of the barn. These will be recorded and, if necessary, actioned. One of the readings will be from source.
6	All live music performances shall use dedicated electrical sockets via the limiter.
7	The Event coordinator, from Brinsop Court, with the assistance of the security team shall be on site at all times, to supervise the implementation of the Noise Management Plan. Monitoring shall take place for all events to ensure activities are inaudible outside of all neighbouring noise sensitive locations. A noise monitoring log detailing activity and times shall be maintained.
8	All staff members, hirers and performers to functions at the Venue shall be informed of the Noise Management Plan practices and their duty to adhere to them.
9	A complaints procedure shall be implemented, with a log of complaints and mitigating actions. Attention will be made to community liaison with neighbouring residents. We shall continue to inform the neighbouring residents of any upcoming events which will involve activities likely to result in excessive noise, such as fireworks.
10	Vehicle access to and from the venue should be undertaken using the designated routes. This shall be well signposted to avoid any vehicles driving in close proximity to the local residents.
11	Signage to be provided in the main entrance, car park and smoking areas reminding patrons that the Venue is in a residential area and to keep noise to a minimum. This includes the turning off car stereos in the car park area. This shall be actively checked by the Event coordinator and security.
*	Brinsop Court are currently looking into the installation of Zone Array speakers.
