Nature of feedback: Objecting to the application

Comment: I object to this planning application.

Whilst I am not resident in the county, I have family local to the proposed area of planning, and have frequently visited and enjoyed the meadows.

To lose some an beautiful and cherished natural environment would be awful.

I have read the objections from the Herefordshire Wildlife Trust and Plantlife.

For the reasons that they have raised, i believe that the planners should reject this application.

I also believe the proposal contravenes the councils local planning rules (SS6, SS7, LD2, LD3 & LD4)

Infrastructure from section 106 to consider: none of it - there is no variation of this application which would be acceptable.
