The following is a comment on application '**P174221/O**' by '**Amanda Cooke**'

Nature of feedback: Submitting a general comment

Comment:

There is a very well established, tall hedge that runs along the back of the properties in Hampton Manor Close (along the side of the proposed development) It affords a high level of privacy to the back gardens. Can we be assured that it will remain in place, or if not, that a similar high screen will be installed in its place to retain our privacy?
