

Planning application comment was submitted on the **13 April 2024 08:35 AM**

The following is a comment on application **P240422/F** by **Mrs J J Massey**

Nature of feedback: Objecting to the application

Comment: I am very very concerned that this application is being considered on vital habitat for rare and native wildlife. There are many other sites which could provide for this development which don't threaten our already declining wildflowers and invertebrates.
