Subject: 222138 - Planning application comment was submitted

The following is a comment on application **P222138/O** by '**Anne Copping**'

Nature of feedback: objecting_to_the_application

Comment:

I am strongly opposed to this planning application going ahead. We have already lost Grade 1 and Grade 11 prime agricultural land without losing any more. This loss also impacts on the wildlife. The traffic is bad enough now on Roman Road and will surely be increased as will the air pollution. I also believe it will have a negative effect on the setting of Huntington Hamlet conservation area and the listed buildings.

Please DO NOT pass this application.
