Subject: Automated response

Thank you for contacting the Environment Agency's Permitting and Support Centre. This is an automated response.

Generally Permitting and Support will contact you within 10 working days regarding your enquiry. During peak periods we may take 20 working days to respond for transfer and surrender requests.

If you would like to speak to us please call 02084 748 938.

Dear Sir

Further to your attached correspondence, if you are of the opinion that all 4 treatment plants will be covered by General Binding Rules, there is no requirement to register them with ourselves. The operators are simply required to abide with the GBR requirements.

If you feel GBR's cannot be met at any time, we will require a Bespoke permit application for each of the STP which are believed to not meet GBR.

Hope that helps

Regards
