**Subject:** Planning application comment was submitted

The following is a supporting comment on application [P153345/FH](#) by Mike Hopkins:

"

The Parish Council had no objections to this planning application. However as proposed building is adjacent to the village road and opposite to a Grade 1 listed church it was considered that the aesthetics could be improved. It was suggested that sawn timbered boards could be used for the walls rather than the proposed box profile steel sheeting.
